A BILL FOR

An Act to amend chapter three hundred twenty-one (321), Code 1950,
relating to motor vehicles and law of road.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section three hundred twenty-one point one hundred
2 eighty (321.180), Code 1950, is hereby amended by inserting
3 after the word “department” in line twenty-eight (28) thereof the
4 following:
5 “or during the last three months when a licensed operator or
6 chauffeur who is at least twenty-one years of age”.
7 Further amend said section by substituting the word “education”
8 for the word “training” in line twenty-three (23) and line thirty-
9 one (31).

EXPLANATION OF H. F. 526

The purpose of this bill is to allow the holder of a restricted five-month driver training program instruction permit to operate a vehicle in accordance with the restrictions of his permit not only at such times as he may be accompanied by an approved instructor but also at other times when he is accompanied by a licensed operator or chauffeur who is at least twenty-one years of age, and thus obtain additional driving training and experience.
The broader term “education” in place of the word “training” is desired by the instructors to permit the inclusion of text and class room instruction rather than to confine the program to just motor vehicle operation.
